

To Whom It May Concern:

I am delighted to write this letter in recommendation of Raphael Moreno.

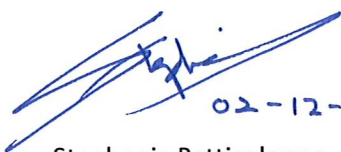

I have worked with Raphael for three years at SUTL Corporation where he was a Graphic Designer for the Group, and I was his direct supervisor from September 2012 – July 2015. I assigned various creative tasks to Raphael.

He was very efficient and completed tasks on time with professionalism. He was an active member of my team and always sought solutions to problems. I was particularly impressed by his strong communication skills. Part of his job involved interacting with various executive levels including C-Level executives in the Group. He was displayed strong communication skills and management abilities.

He has a cheerful and positive personality that makes him a joy to work with. At the same time, he displays strong creativity and innovation in his designs and design proposals. Due to his performance, Raphael was given more responsibility in tasks that more directly branding, social media marketing and integrated design communications for the Group's brands including the branding and packaging for SUTL Wines & Spirits - King's Castle, Arthur's Reserve, ONE15, NYDC, NIKE, FOOTWORKS, SUTL LIFE, the SUTL corporate rebranding exercise and website development. Throughout this years at SUTL, Raphael has demonstrated great dedication and he proved that he is very certain of his goals and commitment to achieving them. Raphael's design and creative talents were always evident in his performance. He also took on tasks beyond his regular job duties including food photography for NYDC and events.

He has displayed strong leadership abilities, logical thinking abilities, and the ability to work well with teams where he takes the initiative to devise solutions while inspiring respect and cooperation in teammates. In sum, I found Raphael to be exemplary who stood out among his peers for his enthusiasm and eagerness towards his work and learning.

Sincerely,
